Occupational Health & Safety Policy

Our Company is committed to fully comply with the Occupational Health & Safety Acts and to ensure that all employees observe these Acts and associated regulations. CEA Australia Pty Ltd will exercise appropriate precautions for all persons at and in the workplace area.

This company is committed to consultation and cooperation between management and all employees. The company will consult with the health and safety representatives of any given site, along with our own employees on any matter or situation in which concern has been raised for the health and safety of people, environment or property.

The management of CEA Australia Pty Ltd requires the total support and commitment of every person in the company to ensure that safety is a key priority and safety regulations are adhered to and practiced at all times. It is expected that every employee will play an active role in occupational health and safety, in regards to themselves and those around them whether it be person, environment or property.
