## Quality Policy

CEA Australia Pty Ltd offers to industry anti-corrosion solutions, incorporating the supply and installation of varied anti-corrosion coatings and the specialised labour to complete this application.

In regards to quality, our policy is to complete all works to the satisfaction of our customers, within the agreed time frame, to agreed standards and at a competitive fixed price, "do and charge" or according to agreed schedule of rates. This is achieved through customer relationship management, high quality workmanship, quality materials, and the supply of the required number of personnel with the required skills to complete work.

CEA Australia Pty Ltd will define and review Quality System goals and objectives periodically.

Our commitment is to total customer satisfaction and continuous improvement of the quality system.

Dennis Foo  
Managing Director
